

Special Issue of *CMAME*: Isogeometric Analysis

- As of December 1st, 2015, *CMAME* is available for submissions to a Special Issue on Isogeometric Analysis. Accepted papers will be peer reviewed in the usual way.
- Submission deadline: **May 2, 2016 (but elastic)** We caution prospective authors to the fact that the length of the review process is somewhat unpredictable, and therefore urge as early submission as possible,
- Deadline for completion of the editorial review process: **October 31, 2016 (firm)**
- **Note: Papers will be published online as soon as papers are accepted.**
- Anticipated publication of hardcopy: **January 2017.**
- Accepted papers that complete the editorial process too late for inclusion in the Special Issue will be published as regular submissions to *CMAME*.
- **Instructions:** To have your paper considered for the Special Issue, please select “**SI: Isogeometric Analysis Special Issue**” when you reach the “**Article Type**” step in the submission process.
