

Rainald Lohner

Director, CFD Center
College of Sciences, George Mason University

MSc (Mech Eng) TU Braunschweig
PhD (Civ Eng) Univ. of Wales Swansea
DSc (Civ Eng) Univ. of Wales Swansea

Textbook: Applied CFD Techniques, J. Wiley (2001).
More than 500 publications.

Areas of interest:

Unstructured Grid Field Solvers for Compressible and
Incompressible Flows, Acoustics and Electromagnetic Wave Propagation,
Heat and Mass Transfer Simulation Codes, Fluid-Structure Interaction,
Parallel Computing Algorithms and better Visualization Tools for
3-D Parallel Computations
