## **Proposal of a Special Session**

Like in previous events, I express my availability and interest to keep the responsibility of organising a Special Session on Structural Dynamics and Fracture, joining a set of interesting papers focused on recent developments related with the development of methods and applications to analyse the behaviour of structures and different types of dynamic loads.

FEUP, 15 de Março de 2012

A handwritten signature in blue ink, reading "Álvaro Alberto de Matos Ferreira da Cunha".
