

WCCM MUNICH ECCOMAS 2026

SPONSORSHIP OPPORTUNITIES

IACM

WCCM MUNICH 2026 ECCOMAS

The 17th World Congress on Computational Mechanics & 10th European Congress on Computational Methods in Applied Sciences and Engineering (WCCM-ECCOMAS 2026) is expected to be one of the largest congresses in the field of computational mechanics and computational methods in applied sciences and engineering.

It is anticipated to attract a diverse and global audience from academia, government, and industry, encompassing all areas of engineering and science. Computational mechanics has become a cornerstone of modern scientific inquiry, driving solutions to some of the most advanced and complex challenges in engineering and beyond.

OTHER SPONSORSHIP OPPORTUNITIES:

Items to be sponsored

Table tent Card - Sponsor the coffee break

Triangular display Stand - Brand a three-sided totem with your corporate identity.

*Contact us for more information on pricing and availability of these sponsorship solutions. **Please let us know before 10th May 2026.**

OTHER SPONSORSHIP OPPORTUNITIES

Items to be sponsored

Congress cloth bag – the sponsor's logo will be added.

Congress badges – Sponsor the conference badges with your logo.

Congress lanyards – Sponsor the conference lanyards with your logo.

*Contact us for more information on pricing and availability of these sponsorship solutions. **Please let us know before 10th May 2026.**

OTHER SPONSORSHIP OPPORTUNITIES

Activities to be sponsored

Conference Social Events

Welcome Reception - **Sunday 19th July**

Appreciation Dinner -**Tuesday 21st July**

Coffee Breaks – **every day**

Conference dinner – **Thursday 23rd July**

These social events of the congress play a key role in fostering connections and strengthening the community. The **Welcome Reception** and the **coffee breaks** bring together the full attendance, creating ideal moments for networking, informal discussions, and setting the tone for the days ahead.

In contrast, the **Appreciation Dinner** is an exclusive gathering reserved for the most influential figures in the sector and key contributors to the event. This special evening offers a unique environment for high-level exchange, recognition, and relationship building among the leaders who shape the industry.

Female Researchers event/ Women Networking event

Wednesday 22nd July

This flagship networking event gathers around **200 participants** and celebrates the role of women in the field. The evening features an inspiring **female keynote speaker**, followed by a **cocktail** that encourages meaningful interaction among attendees, mentors, and leaders. Sponsorship offers excellent exposure and a clear commitment to diversity, inclusion, and the empowerment of women within our community.

Early Career Fair

Thursday 23rd and Friday 24th July

The Early Career Fair is a two-day industry-focused event where companies connect directly with students and young researchers. An industry fair which offers a dedicated space for showcasing projects, sharing opportunities, and meeting highly qualified early-career candidates.

For sponsors, the fair provides strong brand visibility, valuable recruitment potential, and a clear role in supporting the next generation of professionals, making it one of the most strategic engagement opportunities of the conference.

*Contact us for more information on pricing and availability of these sponsorship solutions. **Please let us know before 10th May 2026.**

OTHER SPONSORSHIP OPPORTUNITIES

Activities to be sponsored

NGCE - Next Generation Committee Activities:

Science Slam - Monday 20th July

The Science Slam is one of the most dynamic and popular evening activities of the conference, an informal, high-energy event where young researchers present their scientific work with creativity and humor. Held in a spacious, traditional-style Bavarian venue, the session attracts a diverse audience and fosters a relaxed, social atmosphere that encourages interaction and community building.

For sponsors, the Science Slam offers a unique opportunity to associate their brand with innovation, youth talent, and scientific outreach. Supporting this event provides high visibility, direct engagement with emerging researchers, and a strong presence in one of the most memorable and talked-about activities of the conference.

Science Slam 2019 - Glasgow

*Contact us for more information on pricing and availability of these sponsorship solutions. **Please let us know before 10th May 2026.**

OTHER SPONSORSHIP OPPORTUNITIES

Activities to be sponsored

NGCE - Next Generation Committee Activities:

Career Forum Lunch – Wednesday 22nd / Thursday 23rd July

The Career Forum Lunch connects experienced mentors with small groups of students during an informal lunch session, offering career guidance and insights tailored to different regions and thematic areas. Groups rotate to ensure diverse interactions, with logistical support from the three regional coordinators.

Sponsoring this activity highlights a strong commitment to talent development and provides visibility among highly motivated young researchers and future professionals.

Career Forum Lunch

*Contact us for more information on pricing and availability of these sponsorship solutions. **Please let us know before 10th May 2026.**

OTHER SPONSORSHIP OPPORTUNITIES

Advertisement in congress program and website: 1.500€
