

**Michael J. Schneider**, FCI, is the Vice President (2014-2016) of the American Concrete Institute, Past Chair of the Strategic Development Council, Past Chair of the ACI Foundation, and will serve as President (2016-2017) of ACI. Schneider is the Senior Vice President and Chief People Officer at Baker Concrete Construction, Inc., in Monroe, OH, USA, where he started as a Project Manager in 1978 and helped open Baker's Houston, TX, USA, office in 1982. During his career, he has been involved in a multitude of projects ranging from high-rise offices to automotive plants to mainline concrete paving.

Schneider was named a Fellow of ACI in 2006, received the Roger H. Corbetta Concrete Constructor Award in 2011, served on the ACI Board of Directors in 2008-2010, and is currently a member of the Executive Committee, Concrete Research Council, ETC Product Development Committee, Financial Advisory Committee, and ACI Committees 117, Tolerances; 132, Responsibility in Concrete Construction; and S801, Student Activities. He has been active in the American Society of Concrete Contractors for the past 15 years and served as President during 2005 and 2006. During 2001 and 2002, he was a member of the Board of Directors for the National Center of Construction Education and Research. He currently serves as Chair of the National Steering Committee for the Construction Industry Management (CIM) Program, and was also Chair from 2010-2012. Schneider has served as Co-Chair of the Contractor Task Group for the National Ready Mixed Concrete Association's P2P Task Force. In 2005, Concrete Construction magazine named him as one of the ten most influential people in the concrete industry, and he was the 2012 recipient of the Lifetime Achievement Award from the Spirit of Construction Foundation of Greater Cincinnati.

Schneider received his BS in personnel management from Miami University, Oxford, OH, and his BS in construction management from the University of Cincinnati, Cincinnati, OH.
